

# December Update

Seasons Greetings to everyone!

As we embark on this busy time of year, I wanted to start with a **THANK YOU** to each and every one of you, our members, who have supported us throughout 2021.

While there are many changes we are working on for you for 2022, we will update you on those early in the New Year. For now, I would like to focus this newsletter on a few items to help you during this busy shopping time.

**Tip 1:** As a cyber safety precaution you should set up your on-line account for auto-deposit of e-transfers. This saves the need for passwords which can be intercepted and if you are transferring funds to someone else via e-transfer ensure that they have the auto-deposit feature set up on their account.

**Tip 2:** Use your PCU debit card or your Collabria credit card to make purchases – this provides you with Buyer Protection and Extended

Warranty on your purchases automatically. Just be sure to keep your receipts. If you need assistance, please reach out to your local branch.

**Tip 3:** Add extra security to your banking by signing up for online banking alerts. That way, you'll be notified of any important activity on your account. It's easy to setup in online banking, visiting [this page](#), or ask one of our staff members to help.

**Our Holiday Hours:**

Dec. 24<sup>th</sup> – Closing at 2 PM

Dec. 27<sup>th</sup> & 28<sup>th</sup> – Closed

Dec. 31<sup>st</sup> – Closing at 2 PM

Jan. 3<sup>rd</sup> – Closed

Finally, help us help others! We are presently busy fundraising for our local food banks, who so desperately need assistance this year. You can make a cash donation at our Fredericton Branch to the Amazing Turkey Race or provide food donations at any of our branches which we will make sure get delivered to the local food bank.

All of us at Progressive Credit Union wish you a very joyous holiday season and peace, health, happiness and prosperity in the coming year!

Stay safe,

Rhonda Calhoun
